

Planning for a Warmer, Drier Future

When:

Tuesday, March 26

Where:

Socorro County Annex Building
198 Neel Ave.
Socorro, NM 87801

Lunch Provided!

Join us to discuss how farming and plant systems can look moving into the future with increasing heat and restricted water use in mind. We will cover considerations for species selection, water management, salinity, soil improvements, and much more for the topics listed below.

9:00 – 10:00 AM – Hay and Pastures – Dr. Mark Marsalis, NMSU Extension Forage Specialist

10:00 – 11:00 AM – Trees and Landscape – Dr. Marisa Thompson, NMSU Extension Urban Horticulture Specialist

11:00 – 12:00 PM – Turfgrass and Lawn – Dr. Bernhard Leinauer, NMSU Extension Turfgrass Specialist

12:00 – 12:30 PM – LUNCH

12:30 – 1:30 PM – Chile and Vegetables – Dr. Stephanie Walker, NMSU Extension Vegetable Specialist

Please register online at socorroextension.nmsu.edu or by calling 575-835-0610.

If you are an individual with a disability who is in need of an auxiliary aid or service to participate, please contact Emily Bruton in advance at (575) 835-0610 or emferr@nmsu.edu.
