The 4-H story should tell you about the member's 4-H year. This is a place where the members should be telling you all about the different things they do in 4-H. The story should have an introduction that includes a short biography of themselves, talk about leadership, citizenship, and community service. The 4-H story should tell you more than just about their projects and should paint you a clear picture of their 4-H experience. Full points should be awarded to a story that has all the components of introduction, leadership, citizenship, and community service. The story should be entertaining to read and give you insights into the member's 4-H involvement.
