WELCOME TO THE 2026 SOCORRO COUNTY FAIR

“Cowboy Boots and Bucking Chutes”

Labor Day Weekend

Each year the Socorro County Fair highlights the accomplishments of our youth through the 4-H and FFA Livestock Show, along with 4-H indoor projects displayed at Zimmerman Hall.

The Junior Livestock Show and Sale are a central part of the fair, celebrating the hard work and dedication of our young exhibitors.

The fun begins Wednesday afternoon with the Goat Show. Thursday morning is the Lamb Show followed by the small stock show and ending the evening with the Heifer and Steer Show.

Friday morning will be the pig show, followed by the showmanship round robin.

The week concludes with the Junior Livestock Sale on Saturday afternoon, providing individuals and businesses the opportunity to purchase animals and directly support our youth in agriculture.

All proceeds benefit the 4-H and FFA exhibitors who have raised and exhibited their animals.

The fair also features Open Division exhibits, giving community members of all ages an opportunity to showcase their skills and achievements. Be sure to enjoy the PRCA Rodeo, one of the highlights of fair week, featuring top contestants and exciting action.

We extend our sincere thanks to our sponsors, volunteers, exhibitors, and fair supporters who make this event possible each year. We invite you to become involved, support our local youth, and help preserve this treasured Socorro County tradition for generations to come.

Meet the Team Behind the Fair

The Socorro County Fair is made possible by dedicated volunteers who serve our community and support opportunities for local youth. Throughout the year, these individuals work behind the scenes to organize events, coordinate exhibits and livestock shows, and help preserve a tradition that celebrates agriculture, education, and community spirit.

We are grateful to all the volunteers, sponsors, buyers, exhibitors, and families whose support makes the fair possible. Together, we continue to invest in the future of our youth and the traditions that make Socorro County special.

GRAND MARSHAL – WESLEY & KARLA BRUTON

Wesley and Karla Bruton, lifelong residents of Socorro County, are deeply rooted in the rich agricultural heritage and close-knit community of the area. Karla was raised and educated in Socorro, while Wesley grew up working alongside his family on their ranch and farm in the San Antonio area. The couple married in 1975 while helping care for the family farm in Arkansas. Shortly after, they returned home to New Mexico, where they have continued their lives and work ever since.

Together, Wesley and Karla have built a strong family centered on faith, hard work, and community values. They are the proud parents of two children, Brittany and Wesley, and grandparents to three beautiful grandchildren, with one more eagerly anticipated.

In her early years, Karla began her professional career at a local bank in Socorro, where she advanced quickly, earning the position of Vice President within six years. Alongside her career, she was an active and dedicated member of Beta Sigma Phi Sorority throughout much of her adult life. Following the birth of their first child, Karla returned home to join the family ranching and farming operation. Working side-by-side with Wesley and his family, they helped build and sustain a legacy cow-calf ranching and farming operation that continues today.

Wesley has devoted his life to agriculture, accumulating more than 60 years of experience in the ranching and farming industry. His commitment extends beyond his operations into service to the community. He has contributed his time and leadership to the Socorro Farm Service Agency (FSA) Board, the Socorro County Cooperative Extension Service Advisory Committee, and the Volunteer Fire Department in Arkansas. Wesley is also a proud alumnus of both the FFA and 4-H programs, organizations that played a vital role in shaping his lifelong dedication to agriculture.

Together, Wesley and Karla have been steadfast supporters of the Socorro County Fair. Their children were actively involved in both 4-H and FFA, exhibiting livestock at the fair and gaining invaluable life experiences. The Brutons strongly believe in these programs, recognizing their impact in developing responsibility, leadership, and work ethic in young people, qualities that help shape productive and successful adults.

Wesley and Karla are deeply honored to be selected as the Grand Marshals of the 2026 Socorro County Fair. They look forward to watching their grandchildren continue the family tradition and remain committed to supporting the fair and its important role in the community for generations to come.

General Fair Rules & Regulations

The Socorro County Fair is open to all. Anyone may enter any department with the exception of the 4-H and FFA departments that are limited to members of a Socorro County 4-H club and/or are enrolled in a high school FFA program in Socorro County.

The Fair is governed by the Board of the Socorro County Fair and Rodeo Association which reserves the final and absolute right to interpret the rules and regulations of the fair and PRCA Rodeo, and arbitrarily settles and determines all matters, questions and differences in regard to or connected with the Fair. In a case where no rule appears to cover a situation, the board reserves the right to make a rule and define its application for such a situation.

Any person who violates any of the following or special rules will forfeit all privileges and premiums and may be subject to such penalty as the governing board may order.

Any disagreements or complaints occurring during the Fair must be presented in writing to the department superintendent or a fair director before the fair board will consider the complaint. After careful consideration of the complaint, the decision of the fair board will be final.

Exhibits entered into the fair may be items for display, competition, or livestock animals. Any unlisted item may be entered at the discretion of the superintendent. Exhibits may be reclassified at the discretion of the superintendent.

An exhibit unworthy of an award will not receive one even though there is no competition, nor will any exhibit receive an award greater than its merits justify. All judges will be informed of this rule and asked to comply with it. The decision of the judges will be final.

Diseased, maimed or soiled products or animals will not be allowed. No entries will be legal until approved by the respective superintendents or their representatives. Advertising or selling from space provided for competitive displays is prohibited. Items previously judged cannot be re-judged. They can be display exhibits only.

The board will use every precaution for the safekeeping of exhibits. The Socorro County Fair will use due diligence to ensure the safety of livestock or articles entered for exhibit after their arrival and placement, but under no circumstances will it be responsible for any loss, injury, or damage done to any article on exhibit.

Any exhibitor who in any way, whether in person or by agents, interferes with Fair officials, or shows disrespect to them is subject to penalty as the Socorro County Fair and Rodeo Association deems necessary.

It is up to the Fair Official being harassed to make the official complaint to the Board. The Socorro County Fair & Rodeo Association Board may withhold from such exhibitor all premiums, which have been awarded and/or expel him/her from further exhibiting at the Socorro County Fair.

The Story Behind the Brand

Long before fences stretched across the West, a simple mark burned into a hide told a powerful story. A livestock brand identified ownership, protected hard-earned investments, and represented the reputation of the ranch and family behind it. Every brand was unique, carrying generations of history, pride, and tradition.

In 1598 the hot iron brand was first introduced into New Mexico by Don Juan de Onate, who trailed 7,000 head of branded cattle from the Mexican State of Chihuahua to “San Juan Del Los Caballeros”, near present day Santa Fe. Branding remains one of the oldest continuous ranching traditions in the United States. Many of the brands still seen today have been passed down through families for decades, becoming symbols of perseverance, stewardship, and a way of life that helped shape our communities.

Here in Socorro County, farming and ranching is more than an industry—it’s a heritage. The brands found throughout our valleys and mountains tell the story of local families who have cared for the land, raised livestock, and contributed to the agricultural roots of our county for generations.

As you explore this year’s fair, take a moment to appreciate the brands on display. Each one represents a unique piece of New Mexico history and the enduring legacy of the ranchers and youth who continue to carry those traditions into the future.

Heavenly Father,

We thank You for the opportunity to gather for the Socorro County Fair and for the rich agricultural heritage, traditions, and people who make this event possible. Bless this fair as a place where families and friends come together, new memories are made, and Your love is reflected through kindness, generosity, and community.

We pray for our leaders, board members, volunteers, judges, emergency personnel, and all who serve during the fair. Grant them wisdom, strength, and servant hearts. We also lift up our youth, asking that through their hard work and participation they grow in character, responsibility, humility, and encouragement for one another, honoring You in both success and challenge.

Lord, place Your hand of protection over every exhibitor, visitor, volunteer, vendor, staffmember, animal, and every event throughout the fair. Keep all who travel to and from the fairgrounds safe, and bless this celebration so that it strengthens our community, reminds us of Your many blessings, and brings honor and glory to You.

In Jesus' name, Amen.
