

# Record Book Objectives

Why do a record book?  
(Besides because John said so!)

- Attain a broad knowledge of 4-H projects and activities and the way they improve family and community life.
- Capture life skills learned throughout the year.
- Highlight leadership skills development in 4-H that demonstrate positive youth development.
- Learn to keep accurate records that evaluate project growth over the years.
- Your record book will serve as a guide when applying for 4-H awards and scholarships.
